January 2010

Dear Prospective Family:

On behalf of the administration, faculty and staff of St. Mary's Primary School, I want to welcome and thank you for your inquiry in considering St. Mary's Primary School as your school of choice for your child.

The choice and selection of a school for your child is one of the most important decisions that you as a parent will have to make. Your child will be in a classroom setting for 6 hours per day, learning responsibility, social skills, a body of knowledge and developing a good work ethic. Truly, these same things can also be learned in any good public school; and like us they have excellent teachers who are dedicated to the development of your child. However, it is what our school can offer that extends beyond the academics that truly make us unique and special.

It is our mission "to provide our students with a challenging and quality education, within the framework of a caring, safe and Christ-centered learning environment. We strive to educate the whole child with emphasis on respecting the uniqueness of each individual in developing his/her personal potential. Our commitment is to prepare and develop faith-filled, responsible citizens and life-long learners who can meet the challenges of today's diverse world."

At St. Mary's Primary School, our children not only excel in the academics and on standardized tests, but daily live the Gospel message of Christ: to love one another and to love ourselves within our safe, caring and disciplined learning environment. In addition, we seek not only to prepare your child to succeed for the next level of education and beyond, but in fact to succeed in life.

In closing, I strongly encourage all prospective families to visit our school. Please contact us at 508-822-9480 or emailing [bcote@stmarystaunton.com](mailto:bcote@stmarystaunton.com) to arrange your tour or simply answer any additional questions that you may have.

Once again, thank you for your interest in St. Mary's Primary School and I look forward to hearing from you soon!

Sincerely,

Brian M. Cote,  
Principal
