

First Graders are asked to read THREE stories from ONE of the books listed during the summer. The "Frog and Toad" Series (Arnold Lobel) of books are relatively easy to read and are enjoyed by most children.

- Frog and Toad All Year
- Frog and Toad Are Friends
- Frog and Toad Together
- Days with Frog and Toad

If your child is not able to read these books yet, you may read them to him/her. As the summer progresses, encourage your child to try to read some of the words without help.

You can borrow these books from the library, or purchase them at a bookstore, www.barnesandnoble.com, or at www.amazon.com. Purchase a book for yourself as well and set aside some time each day to read. Have a TERRIFIC summer reading!

Thank you,

Mrs. Silva
